## 1. Introduction

This guide describes the steps for activating a cloud qualified digital certificate issued by Trans Sped.

## 2. Activating cloud qualified digital certificate

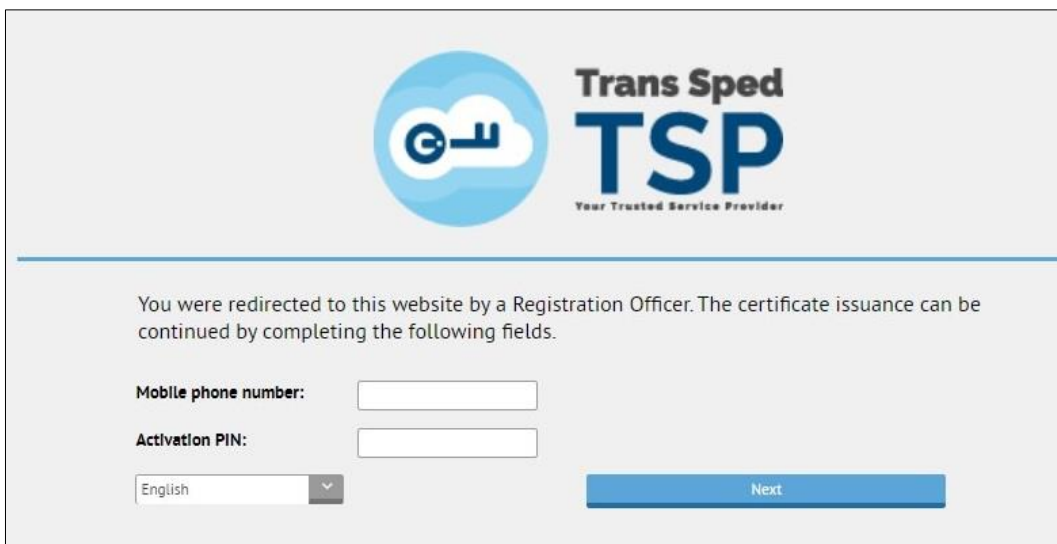

After Trans Sped representatives have verified the documents and issued the Qualified Certificate, you will receive an SMS on the mobile phone entered on the form that will include the following data:

*Account Activation: <https://msign.transsped.ro/serverbku/sir/>  
Activation PIN: XXXXXX (**6-digit code**)*

**Follow the steps below to activate your cloud qualified digital certificate.**

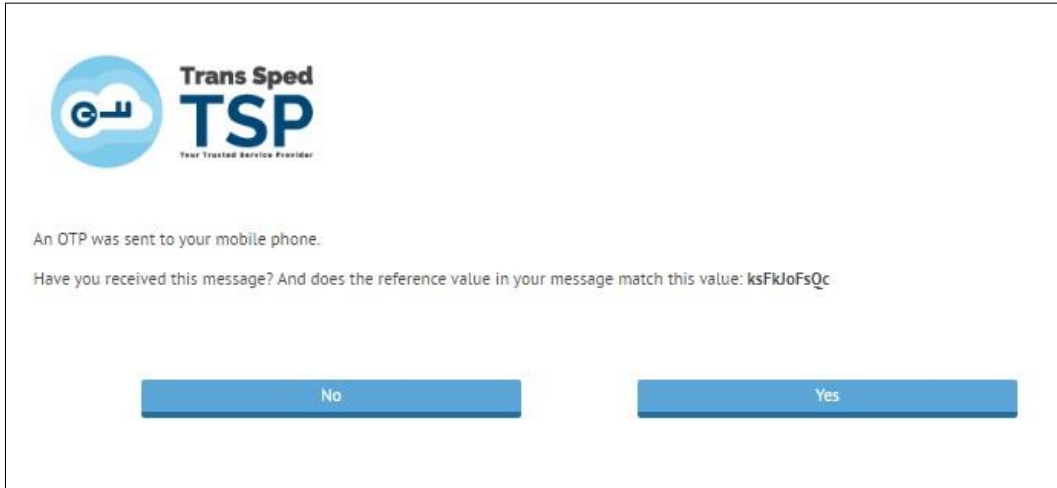

**Step 1.** Access the address <https://msign.transsped.ro/serverbku/sir/> where you will enter the phone number declared at the enrollment of the certificate and the activation PIN, received via SMS.

***NOTE! THE PHONE NUMBER MUST CONTAIN THE COUNTRY PREFIX.***

The screenshot shows the Trans Sped TSP activation interface. At the top, the logo and name 'Trans Sped TSP' are displayed. Below the logo, a message states: 'You were redirected to this website by a Registration Officer. The certificate issuance can be continued by completing the following fields.' The form contains three input fields: 'Mobile phone number:', 'Activation PIN:', and a language dropdown menu currently set to 'English'. A blue 'Next' button is positioned to the right of the language dropdown.

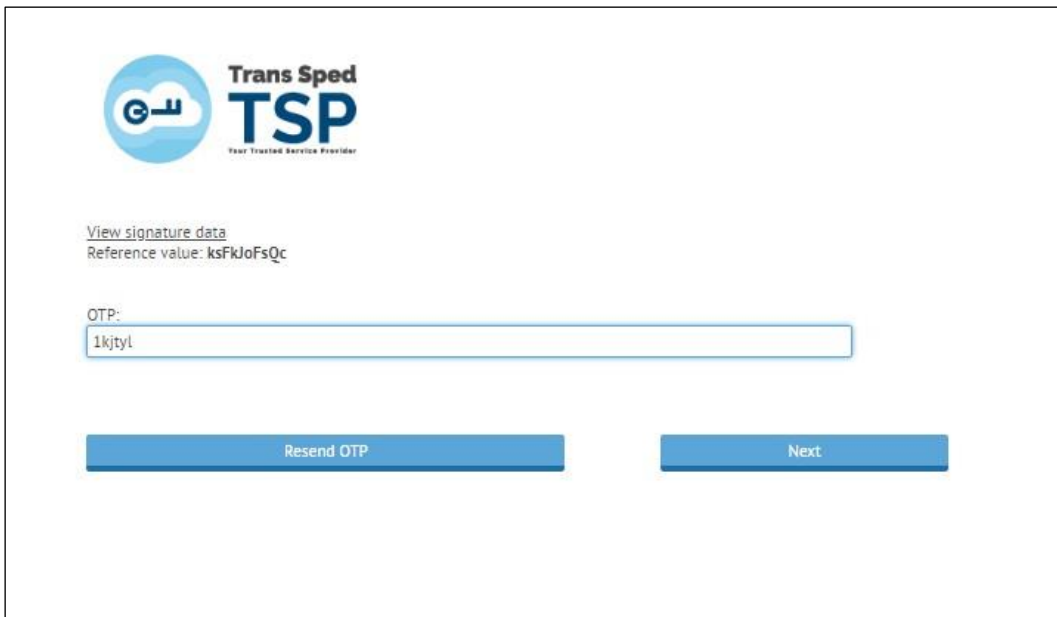

On the phone number declared you will receive an OTP (One Time Password) Code.

 **Trans Sped**  
**TSP**  
Your Trusted Service Provider

An OTP was sent to your mobile phone.

Have you received this message? And does the reference value in your message match this value: `ksFkJoFsQc`

 **Trans Sped**  
**TSP**  
Your Trusted Service Provider

**Step 7.** The last window will let you know that your cloud qualified digital certificate has been issued, and you will receive a confirmation email.

**NOTE!** The email will appear as shown below:

Subject: Issuance of cloud qualified digital certificate finished

After finishing the cloud qualified digital certificate issuance operation, you will return to the main window where you can view the issued certificate by selecting **Show** icon.

In the opened window you will be able to view the cloud qualified digital certificate and its validity period.

The screenshot shows the Trans Sped mSign web interface. The top navigation bar includes a language dropdown set to 'English', a 'Log out' button with a 'Timeout in: 14:01' indicator, and a 'Standarduser' profile icon. A left sidebar contains navigation options: Home, Cloud Qualified Certificates (selected), Create new, Show, and Options. The main content area displays a table titled 'List of cloud qualified certificates ready for use:' with the following data:

Alias:	Mobile phone number:	E-Mail:	Created at:	Valid until:
Mihaela_Bunea	40727704163	mihaela.bunea@transsped.ro	13.02.2020, 11:27:18	13.02.2021, 10:53:40

Below the table, there is a footer with the Trans Sped logo, version information 'Trans Sped mSign - Version: 3.0.0 - Build: 2020-05-05 11:28', and links for 'Contact' and 'Support'. The text 'All rights reserved.' is located in the bottom right corner of the page.
